* Required Fields

Where is this information shown?
The information entered in this page will be visible to your students teachers and the school administration and IT departments. By entering this information you are making it visible for teachers, students and parents to use the App4 Students system and have names rather than ID's visible within the system.

Will this information be shared with any third parties?
App4 Software Pty Ltd will store this information on a server that has only your school's information and is visible to only your school. No information is shared with any third party.

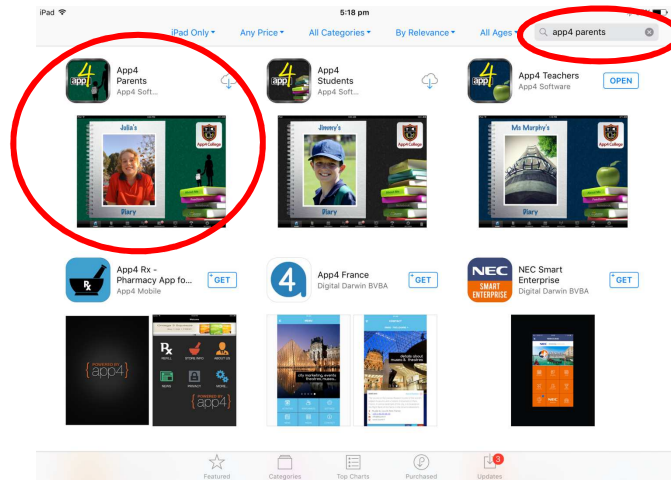

Create a new access code. It can be numbers, or any characters except for **< > ? &**

Step 2 – for iPad users

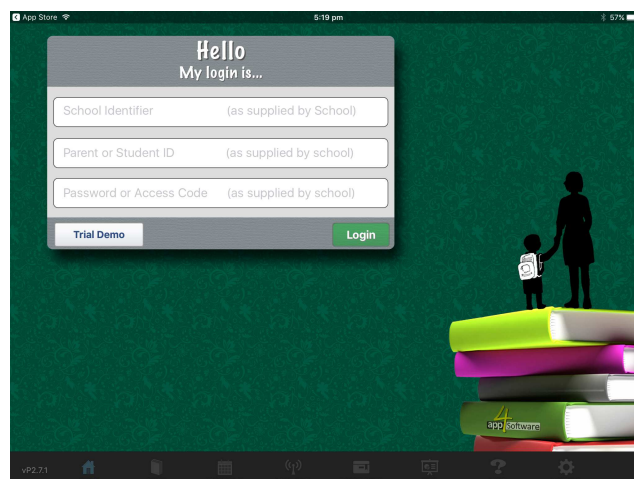

Click on the App Store

Search – app4 parents

Open the downloaded app

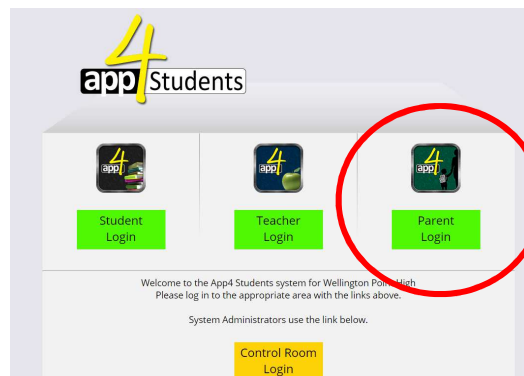

Enter the school identifier - **wellpoinshs**

This is your student's
username

This is the access code
you created in the Opt-
in activation process

Step 2 - for laptop/computer users

<https://wellpoinshs.app4.ws>

Enter Username and Access code

The screenshot shows a login form titled "App4 Parents Portal Login". It contains two input fields: "Parent User Name:" and "Access Code:". Below the "Access Code:" field is a "Login" button. Red arrows point from the explanatory text on the right to the respective input fields.

This is your student's
