

Wellington Point

STATE HIGH SCHOOL

Chaplaincy Programme

Supporting Youth..Providing Hope for the Future

Wellington Point High School has a chaplaincy service that is overseen by our school's Chaplaincy Committee. This Committee consists of local church representatives as well as school staff, students and a parent representative.

The committee employs a chaplain who works to provide pastoral care for students. The work of the chaplain complements our school's well developed welfare program.

The Chaplaincy operates with the endorsement of the school's Parents and Citizens Association.

There are many activities in the school through which your child may have contact with the school chaplain. These include school camps, sports coaching, lunchtime activities and entertainment, breakfast club, assisting in classrooms and in the school's welfare program.

These activities listed above are available on a voluntary basis to all students.

There are other activities within the program of chaplaincy services in the school which may have religious, spiritual and ethical content. These might include small group prayer meetings, one on one support meetings or religious content meetings. **For these activities your child will require parental consent.**

My child _____ has/does not have (please circle) my consent to participate on a voluntary basis in activities within the program of chaplaincy services which have religious, spiritual and ethical content. I understand that this consent is inclusive of all such activities and remains operational unless I advise the school otherwise in writing.
